

Historia De La Literatura Romana / History of Roman literature (Spanish Edition)

LA PINTURA DE CABALLETE

- La pintura de caballete y los pequeños frescos también se dan. Los temas se enriquecen: historia, paisajes de distintos tipos, mitología, bodegón, vida cotidiana, animales y el retrato. El retrato se da desde el s. I a.C. pero es en el s. II cuando proliferan. Destacan los del Fayum, unos **retratos funerarios en tela o en madera que están realizados con la técnica de la encaústica.**
- Un buen ejemplo de retrato es "El panadero y su esposa", del s. I en Pompeya.
